

## Planning Services

### Location Finding Assistance:

Whether your style is intimate and seductive or lavish and over-the-top, Love Notes will help you find the perfect venue to reflect your unique style. Since location affects every aspect of the wedding including your transportation, musicians, décor, rentals and even parking, we take the process of finding the perfect venue for your specific needs very seriously.

### Vendor recommendations:

Love Notes will create a customized list of vendors for your consideration based on your budget, style and artistic vision. Love Notes will accompany you to all initial consultations with each vendor and assist you with negotiating the contracts. Our vendors are pre-screened on the basis of their experience, reputation, references, attention to detail and trend-setting design.

### Wedding and Event Designs:

At Love Notes, we believe that spectacular, flawless events are created by layering elements such as décor, flowers, fashion, music, lighting and food together to create an experience for the senses. We work with you to select the most innovative and trend-setting vendors that will help bring your sense of style to life.
